## About us

---

- Launched in 2022, we believe that the private asset markets host the best risk reward for investors, but barriers exist for access, investor knowledge base and entry levels.
- AVP syndicates deal-by-deal, cutting edge venture capital based investment opportunities for HNWI and Professional Investor communities.
- Partnership with Vauban, a professional platform provider of Special Purpose Vehicles for single asset investments.
- Target 3 – 4 deals per annum, ranging from \$250k – \$5m allocation sizes. Investor minimums usually \$10k-25k.

## Track Record

Name	Date	Deal	Size	No. of investors	Current Gross Multiple
AVP SPV I	Feb 2022	NEAR Protocol	\$594k	17	2.6x

- Launched in Feb 2022, Assembly Venture Partners syndicated AVP SPV I for investment into NEAR Protocol, a Layer 1 smart contract platform.
- The investment provides exposure to NEAR tokens at a discount in return for a lockup period. The deal coincided with NEAR announcing the closure of a \$150m funding round, led by the largest crypto VC Funds in operation.
- The successful syndication of SPV I provides an excellent springboard for future Assembly fundraisings in exciting sectors and technologies.
